NISSAN MICRA C+C

# Exterior and Interior

Surround yourself with pleasure

## INTERIOR

### 4 different trims

With four different interior trims in high quality materials, Micra C+C has style to die for both inside and out!

### Climate control

It's not a luxury when it helps you keep cool, refreshed and alert and is standard on Tekna and Active Luxury, while air conditioning is standard on Acenta.

### Stylish design interior

Micra C+C has room for four people to travel in style. The sculpted seats are so relaxing, you'll be in no hurry to get out!

## EXTERIOR

### C-VIEW glass roof

Even in less than perfect weather, Micra C+C's unique C-VIEW® glass roof gives you a glorious view of the sky. It's tinted to reduce glare and heat, and a neat pull-out blind tucked away in the roof lining allows you to opt for more privacy whenever you feel like it.

### Distinctive stylish design

Micra C+C takes Micra's unmistakably urban style and turns the glamour up a notch, with its unique C-VIEW® glass roof. A gorgeous convertible in fine weather, Micra C+C morphs into a sexy coupe at the first hint of rain.

### 16" alloy wheels

To give your Micra C+C even more style, it's available with 16" alloy wheels on most grades.

NISSAN MICRA C+C

# Performance

The joy of driving

## ENGINE

---

### 1.6l 110 HP engine

The 1.6 litre petrol engine really pulls at the reins, with 110 spirited horsepower and 153 Nm of torque to deliver grin-inducing acceleration.

## HANDLING

---

### Electronic Stability Program

Electronic Stability Program (ESP) relies on electronic sensors to monitor wheel speed and steering angle. To help keep you in your intended direction on slippery roads and in emergency manoeuvres, the system reduces engine output and applies braking to individual wheels to correct under- and over-steer. ESP is standard on Tekna and Active Luxury (1.6 manual) and optional on Active Luxury 1.4 manual.

NISSAN MICRA C+C

# Performance

Frugality never felt so good

	Fuel consumption (mpg)			CO2 Emission Combined (g/km)
	Urban cycle	Extra cycle	Combined cycle	
1.4 16v 88PS Manual (Coupe Convertible)	34.5	50.4	42.8	158
1.6 16v 110PS Automatic (Coupe Convertible)	28.0	48.7	38.2	175
1.6 16v 110PS Manual (Coupe Convertible)	32.8	50.4	42.2	159

In accordance with 2004/3/EC optional equipment, driving technique, payload, road and weather conditions may affect actual fuel consumption.

# Safety and Security

Secure driving enjoyment

## PASSIVE SAFETY

### 4 airbags

Four airbags are standard. The dual front and side thorax airbags help protect you and your front passenger. The front passenger airbag can be turned off when a child seat is placed in the front.

### Active headrests

Micra C+C's active headrests may save your neck. If a rear impact accident occurs, these headrests move forward to limit head movement. So there's less risk of serious neck injuries. As the impact subsides, a spring mechanism returns the headrest back to its normal position.

## ACTIVE SAFETY

### Effective braking

The Micra C+C stops as well as it goes. Nissan Brake Assist (NBAS) automatically increases braking pressure, reducing emergency stopping distances by up to 15%. And Anti-lock Braking System (ABS) monitors each wheel and prevents them from locking – keeping you in control of steering.

### Electronic Stability program

Tight corners, a pressing deadline. Micra makes it easier to keep up with fast-paced urban living with speed-sensitive electronic power steering. So you can concentrate simply on getting there.

### Electronic power steering

Tight corners, a pressing deadline. Micra makes it easier to keep up with fast-paced urban living with speed-sensitive electronic power steering. So you can concentrate simply on getting there.

# Grades & equipment

## AVAILABLE GRADES

### Grade : VISIA

Visia is your intelligent partner for urban living, with its Bluetooth and MP3 audio system, leather steering wheel and drive computer featuring a speed limiter warning coupled with stylish 15" alloy wheels and front fog lamps.

**From £13,550**

### Grade : ACENTA

Acenta adds style with 16" alloy wheels and plenty of Micra C+C's user-friendly technology, with rear parking sensors, air conditioning and leather steering wheel with remote audio, Bluetooth, speed limit warning and drive computer controls.

**From £14,400**

### Grade : ACTIVE LUXURY

With Active Luxury, city life takes on a touch of class and refinement. Pearly nappa leather and Alcantara trim with heated front seats keep you pampered, while on the outside you have a choice of metallic paint colours: Nero Black or Porcelain.

**From £15,045**

### Grade : TEKNA

Tekna adds luxurious feel with part leather seats which are heated at the front, intelligent key and climate control. Micra's friendly technology takes a step further with ESP with manual transmission and a 6 CD changer with MP3 and Bluetooth.

**From £15,400**
